Gentlemen

I am in receipt this P. M. of the coins you forwarded, and I have duly examined them. I think your prices very high on some of them as compared with other purchases I have made, and have had offered me. However, there are some that interest me as follows, as per your invoice, to wit:

No. 1	Neapolis	2.	81-
2	"	1.-	40
5	Tarentum	1.50	50
6	"	4.-	1.
11	Metapontum	2.-	1.70
14	"	2.-	1.
15	Sybaris	2.50	6.
16	Thurium	29.-	1.50
22	Posidonia	2.25	12.90
			40
			12.90
			\$27.10
		\$46.25	

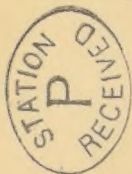

Of these I think your price especially high for the didrachm of Thurium. I had had no intention of considering any coin much above \$5.-, but for the above lot I will give you forty dollars. The rest of same I would not care for, and if this offer is satisfactory to you for the coin as above, will mail you check, and return the other coins. Thanking you for sending same for approval, I am

Gentlemen,

Your favor of 14th inst. enclosing four is received
Regret none of them interest me. I have the identical
type of the Hercules you invoice at \$19. in about equal
condition which cost me but \$5. The Cotton is inferior
to one of the same type I purchased from you at \$6., and
for which you ask \$9. The two others are in too poor
condition to consider. Regretting I could make
no purchase of you, I am

Gentlemen

I have your favor of 15th inst. enclosing coins
for approval as requested, and as per your invoice.

I have looked them over and regret I do not find but
one that is satisfactory both in preservation and price,
which No. 7, the $\frac{1}{6}$ stater of Metapontum, ^{and} which I am keeping, and
I enclose herewith three dollars in payment for same.

The small Metapontum with head of Jupiter Ammon is
a very nice and attractive piece, and I regret it is not much
lower in price. The two pieces of Brundisium are not in quite
satisfactory state to tempt me to take them.

I return herewith the balance of your invoice with
my thanks for kindly sending same.

Yours very truly
Henry A. Greene

Gentlemen. Your favor of 24th inst. regarding priced
catalogues was duly received. I think I will take
pleasure, a priced catalogue without names of any
buyers of the John G. Mills sale, and I beg to enclose
herewith one dollar to cover cost of same, which I
trust is correct. Regarding Greek coins of which
you write, would say I am not in the market at present
for any.
